2017 Wisconsin Regulator Replacement Rebate Program

This program is available on qualified regulators installed on or after January 1, 2017, until December 31, 2017, or funds are depleted, whichever comes first.

REBATE APPLICATION FORM

Only Wisconsin licensed propane marketers may apply. To apply for this rebate, type or print all required information and document safety inspection below or attach a copy of the safety inspection form. Submit application to WiPERC for approval and payment and retain a copy for your records. Double-check your application for completeness – errors will disqualify the application.
