**Please allow 3 to 4 weeks for delivery.**

**The Duty to Warn Program is designed to help Wisconsin marketers save money on the popular safety brochure, *Important Propane Safety Information for You and Your Family*, by offering it at no charge!** The only cost to the participating marketer is shipping.

**PROGRAM DETAILS**

- This program is funded by rebate monies allotted by the Propane Education and Research Council to the state of Wisconsin and approved by the WiPERC Board of Directors for the calendar year 2017.
- Propane marketers who are licensed to operate in Wisconsin are eligible for this program.
- The program ends when funds are exhausted or December 31, 2017, whichever comes first.
- Shipping cost will be invoiced separately.

**Start saving today! To participate in the program, please fill out and send this form to the WPGA .**
